Announcements:

- Reminder: We are collecting spent batteries and compact fluorescent light bulbs for recycling. There are containers in the library at the church. Only Compact Fluorescent Bulbs can be recycled by us, not fluorescent tube or incandescent bulbs. The Compact Fluorescents must be in plastic bags to contain the mercury in the event the bulbs break.
- The board invites members and friends with young children to attend services. We plan to arrange an inviting play nook upstairs in the back of the room so that children can amuse themselves while parents participate in the service.

Greeters & Coffee for March

March 6 & 13: Van Etten
March 20 & 27: Asp
